RE: Request to Repeal Policy #7411 Miscellaneous Funds

Policy #7411 – Student Body Program Fund was adopted in 2013 and has not been revised since its adoption. During a review of district policies, staff identified multiple policies addressing student body funds and miscellaneous funds, resulting in inconsistencies and potential conflicts within the policy manual. To ensure clear and current guidance, staff review the Idaho School Boards Association (ISBA) model policy manual and recommends repealing Policy #7411 and adopting Policy #7260 – Student Activity Funds through a separate board action.
