Principal Board Report
November 11, 2026

2026-27 GOALS FOR CORDOVA JR.-SR. HIGH SCHOOL

1) Maintain the current upwards growth and achievement trajectory in English Language Arts as measured by NWEA MAPS.
2) Implement a focused Math intervention to result in an upward growth and achievement trajectory as measured by NWEA MAPS.
3) Refine staff collaboration through new weekly staff meeting protocol and Special Education framework.

These goals were developed based on prior year's goals, current student and state data, and conversations with district and community stakeholders.

Team Time
CHS teams continued working together to finish their mission patches during our most recent Team Time. Teams that had completed their patches during the previous Team Time participated in teacher assigned activities, including games and collaborating on new projects. These activities provided students with another opportunity to build relationships and strengthen their sense of community within their teams.

Project Grad at CHS
CHS is partnering with Project GRAD Kenai and Chugachmiut to bring career preparation workshops and additional opportunities to Alaska Native students in grades 9–12. The program, Gwangkumciit'stun Cutmen, or "The Way We Go Forward," combines career readiness, cultural connection, and leadership development. Monthly workshops will take place on Fridays and cover topics including goal setting, resume building, financial literacy, interviewing, and exploring career paths. The program also offers support with postsecondary planning and scholarships, along with opportunities for cultural and leadership summits and paid internships. We are excited to bring these opportunities to our students.

Great Alaska ShakeOut
CHS participated in the Great Alaska ShakeOut on October 15th. Students and staff reviewed earthquake safety procedures and practiced "Drop, Cover, and Hold On" during a schoolwide earthquake drill. This annual drill provides an opportunity to review our preparedness and practice how to respond in the event of an earthquake.

Lockout/Lockdown Drill
CHS conducted a lockout and lockdown drill on October 20th. Students and staff practiced responding to unsafe conditions outside and inside the school. During the lockout portion, classroom instruction continued with doors secured and students remaining in their classrooms. During the lockdown portion, students and staff practiced securing classrooms, moving away from doors, turning off lights and devices, and waiting for instructions. These drills provide an opportunity to reinforce safety procedures and review our preparedness for an emergency.

Wolverine Core Values Awards
CHS held our first quarter Wolverine Core Values Awards Assembly, recognizing students nominated by staff for exemplifying our five core values. Recipients were Henry Kruithof for Passion, Violet Simpler for Respect, Keyshia Ganuelas for Accountability, Sierra Westing for Commitment, and T. J. Sivits for Spirit. Anja Arduser was recognized as Junior High Student of the Quarter, and Amelia Hottinger as High School Student of the Quarter. Thank you to Christi Banks and the Cordova Telecom Cooperative for their continued support and sponsorship of our students.

Parent Teacher Conferences
CHS conducted parent teacher conferences on October 22nd and 23rd. A total of 260 conferences were held with 58 families, equaling about 50% of CHS families. This is in comparison with meeting with 44% of families during the 2025 Quarter 1 parent teacher conferences.

PSAT/NMSQT
CHS administered the PSAT/NMSQT on Tuesday, October 27th, with 16 juniors participating. The assessment provides students with practice for the SAT and an opportunity to qualify for the National Merit Scholarship Program. Results will help students identify academic strengths and areas for continued
