ADDITIONAL NOTES & UPDATES

Activities Updates: Volleyball home games vs Tri-Valley November 13th & 14th. Volleyball Regional tournament Nov. 19-21st. We are happy to announce that the Tustumena will be coming from Kodiak to provide service for visiting volleyball teams and other student activity groups Nov. 18th & Nov. 22nd.

The Activities department is actively reaching out to local Cordova and Alaska businesses to help raise funds to be able to host the 44th Annual Tip-Off tournament this basketball season. Without the ferry, all visiting teams have backed out of the tournament. With help in raising funds, our hope is to help purchase plane tickets for the schools interested in attending along with other tournament fee's.

44th Annual Cordova Tip-Off Tournament

January 14-16th, 2027

$25,000 GOAL

With the loss of the Alaska Marine Highway Ferry this winter, visiting teams must rely on Alaska Airlines for transportation to and from Cordova for our annual basketball tournament again this year.

Our goal of raising $25,000 would help offset travel costs for visiting teams and referee expenses to ensure we can continue hosting this basketball tournament in Cordova.
