TO: Members of the Board

FROM: Dr. Norma Carranza, Executive Director of Curriculum & Instruction

PRESENTER: Dr. Norma Carranza, Executive Director of Curriculum & Instruction

MEETING DATE: November 16, 2026

SUBJECT: Discuss to approve the Targeted Improvement Plan for Legacy Elementary and for Batesville Ag TECH campus and the Turnaround Action Plan for Uvalde High School and Dalton Elementary.

BACKGROUND:
A Targeted Improvement Plan (TIP) and a Turnaround Plan (TAP) are state-mandated action frameworks designed by the Texas Education Agency to rescue low-performing public schools and elevate student achievement. A TIP targets specific academic needs and a TAP is more intensive and targeted with closing the gaps and professional development for teacher instructional strategies. These plans are critically needed because they provide struggling campuses with a rigorous, data-driven roadmap to reverse systemic failures and ensure equitable access to quality education.

RECOMMENDATION:
Staff recommends approval of the Targeted Improvement Plan for Legacy Elementary and for Batesville Ag TECH campuses and the Turnaround Action Plan for Uvalde High School and Dalton Elementary.
