UVALDE CISD

TO: Members of the Board

FROM: Dr. Norma Carranza, Executive Director of Curriculum & Instruction

PRESENTER: Jennifer Torres Director of Career Technology Education

MEETING DATE: November 16, 2026

SUBJECT: Discuss to approve the course Communication & Technology in Education with Sul Ross University as a dual credit offering for Uvalde High School

BACKGROUND:
The addition of Communication and Technology in Education as a new Career Technology Education course will strengthen the Teaching and Training Program of Study that was approved for the 2026 - 2027 school year by the Board of Trustees at the June 2026 board meeting. The expansion of the dual credit opportunity will provide students with foundational knowledge and practical skills in educational technology, instructional communication, and classroom support. The course will prepare students to effectively integrate technology into instructional settings, understand professional and ethical responsibilities, and develop skills applicable to careers in education. This offering will enhance the alignment between high school coursework, postsecondary education, and career preparation while supporting students pursuing a pathway into the teaching profession.

RECOMMENDATION:
Staff recommends approval of the course Communication & Technology in Education with Sul Ross University as a dual credit offering for Uvalde High School.
