Grade 9:	33
Grade 10:	29
Grade 11:	33
Grade 12:	38
Total:	**133**

Attendance: **94.34** daily average

Secondary Report:

- Red Ribbon Week was October 19th through the 23rd. Ms. Loya and the student council did an outstanding job of promoting. Each day, students were greeted as they came in and given a token to remind them to stay drug free.

- TSI, ACT, and SAT were tested during October. TSI will be tested again next week and ACT/SAT will be offered again in the spring.

- We had a Fire Drill on Oct. 14th and a lockdown drill on Oct. 28th. The K-9 came on Oct. 21st.

- Two students have been caught with THC vapes. One withdrew from school. The other received 45 days DAEP. There have only been a total of 5 ISS days assigned so far this year.

- I encourage all of you to continue to support "Let's talk Longhorns" on Youtube. New episodes are uploaded often.

- Data Report follow.
