SUBJECT:	Consideration and possible approval for the Parks Elementary library to be renamed the W. C. McMasters Library at a cost not to exceed $6,000.00.
BACKGROUND:	On March 1, 1968, McMasters Elementary opened its doors and became a beloved community cornerstone for generations of families and educators. Naming the Parks Elementary library the W. C. McMasters Library ensures this 58-year legacy has a permanent home. The original school was much more than a building; it was a center for learning, tradition, and deep community relationships that extended far beyond the classroom. The new library name also honors Mr. William Clyde McMasters, a former Pasadena ISD school trustee (1910–1912), four-term Pasadena mayor, businessman, and dedicated community servant who famously said, “If it helps Pasadena, I’m for it.” A library is the perfect place to preserve this history. As a hub for literacy, discovery, and growth, it serves as a bridge connecting the past of McMasters with the future of Parks Elementary. Through the W. C. McMasters Library, the values, spirit, and memories of the McMasters community will continue to inspire and remain a permanent part of the Pasadena ISD story.
FINANCIAL IMPLICATIONS:	District funds will be used. Estimate cost of the project will not exceed 6,000.00.
RECOMMENDATION:	We recommend approval for the renaming of the Parks Elementary Library to the W.C. McMasters Library at a cost not to exceed $6,000.00.
