SUBJECT:	Consideration and possible approval of the Non-Award of CSP #27P-012LP and Approval of the Renewal of the Medical and Rx Stop Loss Coverage Self-Funded Health Plan, CSP #26P-016LP, with Aetna Life Insurance Company for a cost of $4,156,669 to be paid through the health fund.
BACKGROUND:	Competitive Sealed Proposal (CSP) #27P-012LP is recommended for non-award. Aetna Life Insurance Company was the sole respondent and submitted a renewal proposal rather than a competitive proposal. As a result, no award is being made under CSP #27P-012LP. The district is instead recommending approval of the renewal of its existing Medical and Rx Stop Loss Coverage Self-Funded Health Plan under CSP #26P-016LP with Aetna Life Insurance Company for the period of January 1, 2027, through August 31, 2027.
FINANCIAL IMPLICATIONS:	A $500,000 deductible will create an annual premium of $4,156,669. This is an increase of 38% based on current PISD coverage
RECOMMENDATION:	We recommend approval of the non-award of CSP #27P-012LP and approval of the renewal of the Medical and Rx Stop Loss Coverage Self-Funded Health Plan, CSP #26P-016LP, with Aetna Life Insurance Company for a cost of $4,156,669 to be paid through the health fund.
