Subject: Pilot Flag Football Program starting in 2027

MISD Board of Trustees: November 17, 2026 Agenda Item –10A8

Background Information
The UIL will pilot flag football program starting in the 2028-2029 school year. Because Midway ISD has the opportunity to secure multiple years of funding for the program from the Dallas Cowboys, the District desires to start the program earlier than the UIL. The "early" start allows Midway to leverage non-District funds in a manner that supports more student engagement in school-based programming and provides additional opportunities experience potential start-up challenges and adjust prior to state-wide launch.

Fiscal implications
Funds provided by Dallas Cowboys

Administration Recommendation
Approving the Pilot Flag Football Program for Midway ISD starting in the year 2027
