RESOLUTION 26-063 –Approval of Amended Board Policy JEC-School Admissions

Background: This policy establishes guidelines for admission and enrollment in MESD programs and services, recognizing the various ways MESD provides educational opportunities through component school districts, contracts with outside agencies, and grant-funded initiatives. The policy clarifies that admission requirements are determined by the applicable component district policies, contracts, or grant agreements, consistent with state and federal law. It also allows individual MESD schools to establish additional enrollment criteria based on their educational models and the populations they serve. The Superintendent is responsible for developing administrative regulations to ensure consistent, transparent, and appropriate enrollment practices across MESD programs.

*****

WHEREAS, the Multnomah Education Service District Board of Directors Policy Committee reviewed and discussed Board Policy JEC School Admissions;

WHEREAS, the Multnomah Education Service District Board of Directors Policy Committee recommends the Board adopt Amended Board Policy JEC School Admissions;

NOW THEREFORE BE IT RESOLVED, that Amended Board Policy JEC School Admissions is approved as written or as further modified..

BE IT FURTHER RESOLVED, that if no further discussion is required, Amended Board Policy JEC School Admissions is approved as proposed and does not require a second reading.

School Admissions**

~~Admissions to programs offered by Multnomah Education Service District shall be through the component district's admission policy.~~

Multnomah Education Service District (MESD) provides educational programs and services through agreements with component school districts, contracts with outside agencies, and grant-funded initiatives.

Admission to MESD programs operated through agreements with component school districts shall be governed by the applicable component district's admission policies and procedures, consistent with state and federal law.

Admission to MESD programs operated through contracts with outside agencies or supported by grant funding shall be governed by the eligibility and admission requirements established in the applicable contract or grant agreement, consistent with state and federal law.

Individual MESD schools may establish additional enrollment criteria based on their educational models, student populations served, and program purposes. The Superintendent shall develop administrative regulations outlining school-specific enrollment criteria and procedures, consistent with applicable state and federal law.
