~ We are excited to try an overnight for the first time with many of you. Reminder that we are guests in the hotel and must be respectful to all guests also staying in the hotel.

Please understand if there are behavior issues during the overnight, students may be at risk of not being allowed to perform the next day OR may have parents contacted to pick students up who are not following behavior protocols.

~ You will need money for Friday night dinner, and for meals at the comp. If there is a financial need please feel free to reach out to Mr. Warren.

~ The main goal of our competition days are two fold –

1. To get ourselves ready to perform and be the best version of ourselves on the stage that we can! Please make choices that support these goals (re: Sleep, energy, kindness, rule following, water consumption, hyping up each other etc.)

2. To support all the other hard working groups during the day and learn from the things they do on stage! Go and watch groups as often as you can and you will learn SO much about how we can improve AND you can support your fellow hard working student colleagues!

~ Parents – we genuinely hope you will come and support our students. During Dynamic and Riverside performances you are invited to come down to the front rows and **CHEER AS LOUDLY AND BOISTEROUSLY as you can.** Let our students hear and feel your support. It helps them more than you know!

~Finally, let's be the best representatives of our school and community as possible. **We are kind, supportive, compassionate people and I want other groups and communities to know that about us as well. You are certainly allowed to watch a show and not enjoy it – HOWEVER – please keep negative comments to yourselves.** You never know whose parents, grandparents, aunts, uncles, etc. etc. etc. are sitting around you. Let's work to lift up each other and our fellow families and communities! It can truly be one of the best things about the show choir community!
