**Summary:** **Review and Deliberation of the District's Required Three-Year Safety and Security Audi**

---

---

**Background Information:**

Per TEC §37.108(b), school districts are required to conduct a safety and security audit of district facilities at least once every three years using procedures developed by the Texas School Safety Center. The audit is intended to evaluate district safety and security practices, emergency preparedness, and facility security measures. Results are reported to the Board of Trustees and submitted to the Texas School Safety Center in accordance with state requirements. Navarro ISD partnered with Schools on Target to conduct the required three-year safety and security audit. The purpose of the closed session is to deliberate any findings and recommendations related to district safety and security. The Board may deliberate these matters in closed session pursuant to Texas Government Code §§551.076 and 551.089.
