Current Reading Goal

2025-2026

By May 2025, the school will increase the percentage of students meeting or exceeding grade-level reading expectations by 10%, as measured by district benchmark assessments. Interventionists, Special Education and classroom staff will provide targeted reading interventions, deliver evidence-based instruction aligned with our LETRS training, and support families with literacy-focused outreach activities. Student progress will be monitored with Lexia, and instruction will be adjusted based on data to ensure continuous growth.

Current Social Emotional Goal

2025-2026

By May 2026, Bagley Elementary will reduce office discipline referrals by 10% and increase the number of students who consistently attend school by implementing the Positive Action SEL program with fidelity. Classroom teachers and support staff will deliver weekly SEI lessons and reinforce program expectations daily. Progress will be monitored monthly through behavior and attendance data to ensure the strategy is improving student engagement and overall school climate this includes the positive action room.
