**Background Information:**

The Administration plans to continue using the updated version of HMH that has been approved by the State Board of Education as the curriculum resource for K-5 Reading Language Arts (RLA) and Spanish Language Arts (SLA) instruction for the 2026-2027 school year.

Currently, Manor ISD uses HMH as its adopted materials; however, the State Board of Education (SBOE) has not approved our current materials as Highly Qualified Instructional Materials.

The new HMH curriculum will best meet the needs of our students in both English and Spanish. We also intend to supplement the English curriculum with Amplify.

**Fiscal Implications:**

No local funds will be expended. Funded through state IMRA funds allocated for curriculum purchase, the SBOE-Approved Instructional Materials Entitlement, and other potential state funding streams.

**Administrative Recommendation:**

Administration recommends that the Board of Trustees take no action on the agenda item since the Board of Trustees has previously adopted HMH as the curriculum.
