Luis Correa, Superintendent
Gurnee District 56

Dear Mr. Correa,

I am writing to request access to certain public records pursuant to the **Illinois Freedom of Information Act (5 ILCS 140/1 et seq.)**.

Specifically, I am requesting the following information for district employees:

- First and last names
- Job titles/positions
- Work email addresses
- Primary campus or department

If available, I would appreciate receiving this information in an electronic format (Excel or .csv) via email.

If this request is better directed to another contact, I would be grateful if you could kindly point me in the appropriate direction.

Please let me know in advance if there are any fees associated with fulfilling this request. I would appreciate consideration of a fee waiver, as the information is being requested for general research and informational purposes.

Under the Illinois Freedom of Information Act, I understand that the agency is required to respond within:

- 5 business days

indicating whether the requested records will be provided. If access is granted, records should be produced within a reasonable time thereafter as permitted by law.

If any portion of this request cannot be fulfilled, please provide the applicable statutory basis for the denial and any available options for appeal or clarification.

Thank you for your time and assistance.

Sincerely,

Carla Carlos
