Background Information and Rationale:

Purchase of Semi Truck for the Decatur ISD Band Program

As part of the voter-approved 2026 Bond Program, funds were allocated to purchase a new semi truck for the Decatur ISD Band Program. Operations recommends the purchase of a new 2027 semi truck. This purchase will eliminate annual rental costs, provide reliable long-term transportation for the band trailer, and aligns with the intended use of the 2026 Bond funds for transportation equipment.

Support of Strategic Goals:

- 1.1 Students will be safe and secure.
- 4.2 DISD will create and maintain systematic long-range facility management.

Fiscal Implication:

175,262.02

Administrative Recommendation:

We recommend approval of the purchase of the 2027 Peterbilt Semi Truck as part of the district's voter-approved 2026 bond transportation plan.
