BUILDING AND GROUNDS INSPECTION

It is the policy of the Nye County School District to maintain District-operated facilities at the level of the standards established for safe and healthful facilities.

For purposes of this document, safe and healthful facilities are defined as facilities free from sources of danger, which could curtail activities conducted in the building.

All buildings and grounds located in the school district will comply with all the regulations, state codes, and orders of the Department of Industry, Labor, and Human Relations (DILHR) and the Department of Health and Social Services and all applicable local safety and health codes and regulations.
