

Meeting Date: May 21, 2026

Submitted By: Dr. Lacey Gosch
Title: Assistant Superintendent

Agenda Item: Consider and take action regarding approving the submission of Low Attendance Day Waiver for Judson ISD to the Texas Education Agency.

CONSENT ITEM

RECOMMENDATION:

That the Board of Trustees approve the waiver application for submittal to the Texas Education Agency for the Low Attendance Day on May 1, 2026.

IMPACT/RATIONALE:

Districts or campuses can request a waiver to excuse instructional days from Average Daily Attendance (ADA) and Foundational School Program (FSP) funding calculations that have attendance at least 10 percentage points below the last school year's overall attendance, for the district due to inclement weather, health, or safety related issues. On May 1, 2026, the region experienced torrential rainfalls resulting in flooding in the San Antonio and surrounding communities. Some neighboring school districts closed schools for the day due to flooding and other safety and weather concerns. Judson ISD did not close schools on this date due to the weather, but the weather had a significant effect on the attendance to school for the student population. On May 1, 2026, the overall district attendance percentage was 79.43 percent. On May 1, 2025, the districts attendance percentage was 93.14 percent. The loss of attendance was 13.71 percentage points lower on May 1, 2026 than it was on May 1, 2025. For the waiver, the state examines the district's overall attendance percentage from the prior year. Judson ISD reported an attendance percentage of 92.933 for the 2024-2025 School year. Comparing May 1, 2026 to the prior school year, the attendance percentage was 13.503 percentage points lower. Based on the loss of attendance due to weather, the district qualifies to submit to TEA a Low Attendance Day Waiver.
