

Annual Compliance Overview

[Minnesota Statutes 2024, section 124D.78](#) requires Minnesota districts, charter schools, cooperatives, and Tribally controlled schools with 10 or more American Indian students to have an American Indian Parent Advisory Committee (AIPAC). Specifically, the Statutes cite that school boards and American Indian schools must provide for the maximum involvement of parents and children enrolled in education programs, programs for elementary and secondary grades, special education programs, and support services.

Districts, charter schools, cooperatives, and Tribally controlled schools with 10 or more American Indian students are required to submit annual compliance documents to the Office of American Indian Education (OAIE) by March 1 of each year. Also known as the vote of concurrence or nonconcurrence, annual compliance is a valuable opportunity for AIPAC members to meet and discuss whether or not they concur with the educational offerings that have been extended by the district to American Indian students.

The Vote and Resolution

Parent Committees receive data from the district on whether or not the district has met the needs of American Indian students using the goals from the program plan submitted and approved by MDE. The AIPAC votes on how the district is achieving and accountable to the goals. The AIPAC should work with administration to fill out the Program Plan Review. This vote is formally reflected on the annual compliance documents. Members of the AIPAC present the vote and resolution to the school board.

If the vote is one of nonconcurrence, the AIPAC must provide written recommendations for improvement to the school board at the time of the presentation. The school board then has 60 days in which to respond in writing to the AIPAC recommendations. A copy of this written response must be provided to OAIE.

District, Charter, or Tribally Controlled School Employee Sign-in Sheet

Employee Name, Email, and Phone	Employee Title

In accordance with statute, we are submitting written recommendations alongside this vote. We are calling on this board to:

First, immediately begin the process of identifying and securing qualified American Indian language and culture instructors or community-based partners who can deliver this programming and be open to all students, not just the Native students.

Second, work collaboratively with our NAPAC and the Office of American Indian Education at MDE and the Tribal Education Department at Prairie Island and/or the Tribal Nations Education Committee to develop an implementation plan with a clear and accountable timeline.

Third, allocate funding from the general district budgets, not be totally reliant on our AIEA funding to fully support and sustain full-time American Indian Education positions of this nature.

Fourth, report back to this AIPAC, in writing, within **60 days**, as required by law, with a signed response from the full board.
