May 4, 2026

East Chambers Board of Trustees:

Our varsity baseball team recently completed their season with a 18-11 overall record and a 9-5 district record. JV record was 8-10. We lost to a very solid Huntington team in the bi-district round of the playoff. Finished the season with 35 boys participating in baseball.

Our softball team completed their season with an 8-17 overall record and a 3-11 district record. We were very young this season, but competed hard all season long.

Both our boys and our girls HS track teams were successful again this season. Our girls and our boys both finished as the district runner-up. We had 6 girls and 10 boys qualify for the regional track meet in Huntsville.

## Upcoming athletic events in May:

\*Wednesday, May 6 – 8 am – Athletic Physicals for HS & JH athletes

\*Tuesday, May 12 – 6:30 pm – Athletic Banquet in the dome cafeteria

\*We will begin serving the meal at 5:45 pm

Thanks again for your support of our athletic programs throughout this school year. It is greatly appreciated.

Sincerely,

Coach Russ Sutherland  
Athletic Director/Head Football  
East Chambers ISD
