

Director of Curriculum & Instruction's Board Report July 31, 2026

1. Teacher Incentive Allotment (TIA)

Teachers who received a designation will receive their allotment in the next few weeks. Data is being gathered for submission in October.

2. LIFT Grant

Our K-5 RLA teachers have participated in several trainings this summer from product learning to setting up the pacing calendar for Bluebonnet Learning curriculum implementation. Most of the Bluebonnet materials have been delivered. The missing materials should be in soon.

3. Secondary Math Curriculum

SAVVAS materials have been ordered and will be in place before school begins. Teachers have received login information and are beginning planning for the first six weeks.

4. Child Care Center

The child care center is ready to begin accepting our littlest Buccaneers back from summer break. Mrs. Dina Bordelon, our new director, hosted an open house last week and many of our parents attended. Some of our new teachers have indicated that they will be enrolling their children soon.

5. Professional Development Trainings

This week, teachers new to EC have participated in New Teacher Orientation as well as T-TESS Orientation and Training.
