**User Clause:** User Metric reflects the maximum number of individuals authorized by the Customer to access and/or use the Service and Customer has paid for such access and/or use.

To the extent the Users' usage of the Service, in the aggregate, exceeds the Typical Use at any given time, Instructure reserves the right, in its sole discretion, to increase the fees by an amount proportional to such excess usage. In the event Instructure increases the fees pursuant to this paragraph, Instructure shall send an invoice to Customer for the applicable increase along with documentation evidencing the additional usage of or additional Users who have access to the Service giving rise to such fee increase. Any invoice sent pursuant to the foregoing shall be due and payable within 30 days of receipt.
