Snow days—Cut Day\$- and instructional days!

Three Rivers School District will be utilizing snow days as budgetary cut days in an effort to preserve instructional days. This means that we will be reinstating some of the cut days in April! For example; we had a snow day on February 23rd. Subsequently we will have school on Friday April 8th, a day that was previously cut due to budgetary constraints. We will communicate finalized schedules at a later date. Thank you for your patience and understanding as we all go through this difficult time and the severely impacted school year calendar.

Fund raising:

To catch and kiss a pig in front of 400+ students; not what I thought I'd have to do when I woke up this morning! Thank you to everyone that has been consistently supportive of our fundraising efforts. Economic issues are obviously affecting schools in a negative way. These issues are affecting most of us personally in the same negative way, making your support even that much more meaningful to Evergreen.

**ATTENTION 3rd grade
PARENTS and STUDENTS**

3rd grade is going to be taking an exciting field trip to ScienceWorks in Ashland on March 31st. In order to attend this field trip, students must show good citizenship by following the 4 school rules and not having any referrals, bus citations, or more than 2 orange redirection room slips in the month of March. These are the same requirements for our PBIS assemblies. Students will also be excluded from the field trip if they have overdue books or library fines. This is a fun, hands-on way to experience science so we hope all students can attend.
