

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: May 18, 2026

AGENDA ITEM: Consider Approval of Contract Services Proposal with TNP Evaluation, Design and Preparation of Construction Documents Related to Aledo Middle School/Early Childhood Academy Parking and Drives

PRESENTER: Caleb Bell, Chief Facilities and Construction Officer

BACKGROUND INFORMATION:

- Aledo Middle School Parking on the South Side is 1 inch asphalt and is failing throughout the lot.
- With the TxDot elimination of the current Front Drive of ECA, study and design is required for staging, circulation and parking at both campuses.
- The finished product will provide us with bid documents that will allow us to complete an RFP for construction of new concrete parking and additional drives if needed.
- Included in the scope of work:
 - o Topographic Survey and Deliverable
 - o Site Circulation and Planning/Studies
 - o Complete Civil Engineering Design
 - o Electrical engineering if needed
 - o Construction administration once design is complete
- The Board first discussed this at the April 20, 2026 Regular Board Meeting.

FISCAL INFORMATION:

The proposal is \$105,000 and will be paid for out of 2023 Bond interest earnings.

ATTACHMENTS:

Authorization for Professional Services: Aledo ISD- Aledo Middle School Parking Lot and Drive Improvements Surveying, Civil Engineering, and Electrical Engineering

ADMINISTRATIVE RECOMMENDATION:

Administration recommends approval of Contracted Service with TNP as presented.
