Room
Crete Public Library

Southeast Library System Invites Librarians

to a full-day workshop with Will Stuck. This event equips library staff to bring the 2027 "Mysteries Await at Your Library" theme, or another theme, to life through hands-on craft creation, eye-catching PR, and programming strategies for all ages. Attendees will walk away with actionable plans for both standalone and multi-part events, along with plenty of practical tips and shared insights.
