

6. MONITORING REPORT – College and Career Update

A. SUBJECT

This item is included on the agenda so the Board of Education can be provided with a College and Career update.

B. INFORMATION

During the 2025-2026 school year, District 200 has launched many College and Career events designed to provide students and families with meaningful exploration experiences. These include college visits, trades presentations, financial aid workshops, internships, and a college and career fair.

Tonight, Assistant Superintendent Dr. Justin Smith and District 200 College and Career Counselor, Mrs. Tanya Thomas, will update the Board of Education on the progress of these events.

This is an informational report only. No formal Board action is required.
