

## ELECTIONS

BP 8120 (a)

Note: Pursuant to AS 14.08.115 and AS 14.12.035, the school board prescribes the manner of selecting advisory boards. Effective 2014, regional educational attendance areas ("REAs") may request that advisory school board elections be conducted by the Division of Elections ("Division"). If a request is made, the election will be held on the first Tuesday in October. AS 14.08.071(e). In such a case, the role of the Division is limited and REAs retain most of the obligations for conducting the election. In addition, the Division will only conduct advisory school board elections in those communities where the Division is already scheduled to conduct an in-person election for the regional school board. The following policy provides optional language for REAs desiring to have the Division conduct advisory school board elections. That language incorporates the requirements of 6 AAC 27.180, Advisory school board elections.

All qualified and interested individuals are encouraged to serve the district and its students by seeking election to the advisory school board. The district shall be responsible for conducting advisory school board elections for the respective attendance areas. The Superintendent or designee shall make the necessary procedures, forms and staff assignments for the conduct of elections.

Elections will be held on the first Tuesday of October in conjunction with the city and borough elections. The site administrator, with the assistance of the district administrative staff, shall coordinate SAC elections with the local municipal office.
