Board Agenda Item Request

AGENDA ITEM: Action Item

PURPOSE: Approve/Deny Student Club- "Rampage Boxing"

MEETING DATE: June 17th, 2026

PREPARED BY: Jake Massey

INFORMATIONAL SUMMARY:

Students at Timberlake High School have requested to start a school boxing club and are requesting the use of school facilities during Spring and Summer.

The students have submitting the following documents containing the proposed organizational details required to get the club up and running:

[Set Up Document](#)

[Membership Agreement](#)

[Liability Waiver](#)

FINANCIAL CONSIDERATION:

Our insurance provider and district administration are both concerned about liability to the school and district for an activity of this nature. This is not a "school sponsored" club with a staff advisor.

SUPERINTENDENT RECOMMENDATION:

It is the recommendation of the Superintendent to not approve the Rampage Boxing Club as a school club, given the liability to the district.

It should be noted that these students have done good work to explore what this club could look like. This club, as they've described it, may be a good private club for them to pursue- and they could still apply for facility use without being an official THS club.
