

## **Northome Trap Team - State Competition '26 Trip Proposal**

The Minnesota State High School Clay Target League state shoot is held in Alexandria, MN. Northome's Trap Team will shoot on Monday, June 15, 2026.

The Northome School Trap Team has an 8 week season, shooting on Sunday afternoons at the North Beltrami Sportsman's Club in Kelliher. All transportation to and from each practice/shoot is the responsibility of students and their families, no school vehicles or rides are provided throughout the season. Trap athletes are also responsible for the season registration cost of \$50 (this does not include the cost of the State Shoot registration). All Trap athletes are invited to shoot at the state competition each year. This provides an awesome opportunity for the students to compete at a large event and see rankings amongst their peers across the state. This year, the Trap Team applied for, and received, a grant from the NRA which provided some ammunition used throughout the season.
