Student School Board Representative Recognition for the 2025-2026 School Year

Tonight, we'd like to recognize and thank our Student School Board Representatives, Isse Ali and Amira Williams, for their service to our School Board.

First, we offer our sincere appreciation to Isse Ali, who is graduating this spring after nearly two years of service as a Student School Board Representative. Throughout his time on the Board, Isse has brought valuable student perspective, thoughtful insight, and a strong commitment to representing his peers. We are grateful for the time and dedication he has given to our district and school community. Isse, thank you for your service, and we wish you all the best in your next chapter.

We'd also like to thank Amira Williams for her service and contributions this past year. Amira has been a positive voice for students and an important part of the conversations and work of the Board. We are excited that she will continue serving as a Student School Board Representative during the 2026-2027 school year, and we look forward to continuing to work with her.

In addition, we are pleased to announce that Leo Bunch will be our new Student School Board Representative for the upcoming school year. We look forward to the perspective and ideas Leo will bring to the board as he begins this important role.

We want to thank these students for their dedication and commitment to the Board.
