BACKGROUND:

Texas History Day, part of the National History Day program, is a yearlong education program that culminates in an annual state-level history fair for students in grades six through twelve. It provides an opportunity for students to develop their knowledge of history, critical thinking, analytical reading, writing, presentation, media design, and public performance skills through creative and original papers, performances, documentaries, web sites or exhibits. The theme for this year was Frontiers in History: People, Places, Ideas.

Congratulations to all of our participants at the local and regional competition and we certainly wish the best to our state contestants who will be representing BISD at Texas History Day held in Austin on April 15, 2023. Here is the complete list of BISD winners.
