

AD Board Report:

- Activities Banquet was a big success. Thank you to AISD kitchen staff for assisting with food.
- We have finalized much of the plans for sending our first student to DDF Nationals in Richmond, VA in June.
- We will be opening sports/activity coach and advisor positions in the near future and will be making recommendations after the interview process and positions have closed.
- We are encouraging coaches who have coached for the district in the past to pursue professional development opportunities so that we can continue to enhance our programs and activities. There is also a coaches' survey that was sent out so that myself and the district can learn more information about the programs and activities to better assist and make them the best possible environments and opportunities for our student athletes.
