Mrs. Maureen Jones
Community Consolidated School District 89
22W600 Butterfield Road
Glen Ellyn, Illinois 60137

Dear Mrs. Jones:

Thank you for using Baker Tilly US, LLP (Baker Tilly, we, our) as your auditors.

The purpose of this letter (the Engagement Letter) is to confirm our understanding of the terms and objectives of our engagement and the nature of the services we will provide as independent accountants of the Community Consolidated School District 89 (Client, you, your).

Service and Related Report

We will audit the basic financial statements of the Community Consolidated School District 89 as of and for the year ended June 30, 2026, and the related notes to the financial statements. Upon completion of our audit, we will provide the Community Consolidated School District 89 with our audit report on the financial statements and supplemental information referred to below. If, for any reasons caused by or relating to the affairs or management of the Community Consolidated School District 89, we are unable to complete the audit or are unable to or have not formed an opinion, or if we determine in our professional judgment the circumstances necessitate, we may withdraw and decline to issue a report as a result of this engagement.

The following supplementary information accompanying the financial statements will also be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and our auditor's report will provide an opinion on it in relation to the financial statements as a whole.

- > Combining and Individual Fund Financial Statements
- > Budgetary Comparison Schedules

The following supplementary information will also be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and our auditor's report will provide an opinion on it in relation to the financial statements as a whole.

- > Schedule of Expenditures of Federal Awards
- > ISBE Form SD50-35/JA50-60 (Annual Financial Report)
- > GATA Consolidated Year End Financial Report (CYEFR)

Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis, to supplement the Community Consolidated School District 89's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. As part of our engagement, we will apply certain limited procedures to the Community Consolidated School District 89's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's response to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- > Management's Discussion and Analysis
- > Budget Comparison Schedules
- > OPEB - related schedules
- > Pension - related schedules

We will read the following other information accompanying the financial statements to identify any material inconsistencies with the audited financial statements; however, the other information will not be subjected to the auditing procedures applied in our audit of the financial statements and our auditor's report will not provide an opinion or any assurance on that other information:

- > Introductory Section
- > Statistical Section

Our report does not include reporting on key audit matters.

Our Responsibilities and Limitations

The objective of a financial statement audit is the expression of an opinion on the financial statements. We will be responsible for performing that audit in accordance with auditing standards generally accepted in the United States of America (GAAS). These standards require that we plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement, whether caused by error or fraud. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. A misstatement is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user based on the financial statements. The objective also includes reporting on:

- > Internal control related to the financial statements and compliance with laws, regulations and the provisions of contracts or grant agreements, noncompliance with which could have a direct and material effect on the financial statements in accordance with *Government Auditing Standards*.
- > Internal control related to major federal programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and OMB *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards* (Uniform Guidance).

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states (i) that the purpose of the report is solely to describe the scope of testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (ii) that the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

We will be responsible for performing the audit in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions and to render the required reports.

As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We will also:

- > Identify and assess the risks of material misstatement of the financial statements and supplemental information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- > Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements and supplemental information that we have identified during the audit.
- > Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements and supplemental information, including the disclosures, and whether the financial statements and supplemental information represent the underlying transactions and events in a manner that achieves fair presentation.
- > Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the entity's ability to continue as a going concern for a reasonable period of time.

Because of the inherent limitations of an audit, together with the inherent limitations of internal controls, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse. Our audit will include examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing accounting principles used and significant estimates made by management, and evaluating the overall financial statement presentation. Our audit does not relieve management or those charged with governance of their responsibilities. Our audit is limited to the period covered by our audit and does not extend to any later periods during which we are not engaged as auditor.

The audit will include obtaining an understanding of the Community Consolidated School District 89 and its environment, including internal controls, sufficient to assess the risks of material misstatement of the financial statements and to determine the nature, timing and extent of further audit procedures. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. However, during the audit, we will communicate to management and those charged with governance internal control matters that are required to be communicated under professional standards. We will also inform you of any other matters involving internal control, if any, as required by *Government Auditing Standards* and the Uniform Guidance.

Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

April 1, 2026
Page 5

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control over compliance issued pursuant to the Uniform Guidance.

Also, if required by *Government Auditing Standards*, we will report known or likely fraud, illegal acts, violations of provisions of contracts or grant agreements, or abuse directly to parties outside of the Community Consolidated School District 89.

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Community Consolidated School District 89's compliance with the provisions of applicable laws, regulations, contracts and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether you have complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of test of transactions and other applicable procedures described in the OMB Compliance Supplement for the types of compliance requirements that could have a direct and material effect on each of the Community Consolidated School District 89's major programs. The purpose of those procedures will be to express an opinion on your compliance with requirements applicable to each of your major programs in our report on compliance issued pursuant to the Uniform Guidance.

We are also responsible for determining that those charged with governance are informed about certain other matters related to the conduct of the audit, including (i) our responsibility under GAAS, (ii) an overview of the planned scope and timing of the audit, and (iii) significant findings from the audit, which include (a) our views about the qualitative aspects of your significant accounting practices, accounting estimates, and financial statement disclosures; (b) difficulties encountered in performing the audit; (c) uncorrected misstatements and material corrected misstatements that were brought to the attention of management as a result of auditing procedures; and (d) other significant and relevant findings or issues (e.g., any disagreements with management about matters that could be significant to your financial statements or our report thereon, consultations with other independent accountants, issues discussed prior to our retention as independent auditors, fraud and illegal acts, and all significant deficiencies and material weaknesses identified during the audit). Lastly, we are responsible for ensuring that those charged with governance receive copies of certain written communications between us and management including written communications on accounting, auditing, internal controls or operational matters and representations that we are requesting from management.

The audit will not be planned or conducted in contemplation of reliance of any specific third party or with respect to any specific transaction. Therefore, items of possible interest to a third party will not be specifically addressed and matters may exist that would be addressed differently by a third party, possibly in connection with a specific transaction.

Management's Responsibilities

Our audit will be conducted on the basis that the Community Consolidated School District 89's management and, when appropriate, those charged with governance, acknowledge and understand that they have responsibility:

- > For the preparation and fair presentation of the financial statements and supplementary information in accordance with accounting principles generally accepted in the United States of America;
- > For the design, implementation, establishment, and maintenance of internal control relevant to the preparation and fair presentation of financial statements and supplementary information that are free from material misstatement, whether due to fraud or error; and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met and;

With respect to this Engagement Letter and any information supplied in connection with this Engagement Letter and designated by the disclosing party (the "Disclosing Party") as "Confidential Information" either by marking it as "confidential" prior to disclosure to the receiving party (the "Recipient") or, if such information is disclosed orally or by inspection, then by indicating to the Recipient that the information is confidential at the time of disclosure and confirming in writing to the Recipient, the confidential nature of the information within ten (10) business days of such disclosure, or is information which a reasonable person would deem to be confidential based on the nature of the information and the circumstances surrounding its disclosure, the Recipient agrees to: (i) protect the Confidential Information in the same manner in which it protects its Confidential Information of like importance, but in no case using less than reasonable care; (ii) use the Confidential Information only to perform its obligations under this Engagement Letter; and (iii) reproduce Confidential Information only as required to perform its obligations under this Engagement Letter. This section shall not apply to information which is (a) publicly known, (b) already known to the Recipient, (c) disclosed to Recipient by a third party without restriction, (d) independently developed, or (e) disclosed pursuant to legal requirement or order, or as is required by regulations or professional standards governing the services performed. Subject to the foregoing, Baker Tilly may disclose Client's Confidential Information to its subcontractors and subsidiaries.

We may be required to disclose Confidential Information to federal, state and international regulatory bodies or a court in criminal or other civil litigation. In the event that we receive a request from a third party (including a subpoena, summons or discovery demand in litigation) calling for the production of information, we will promptly notify the Community Consolidated School District 89, unless otherwise prohibited. In the event we are requested by the Community Consolidated School District 89 or required by government regulation, subpoena or other legal process to produce our engagement working papers or our personnel as witnesses with respect to services rendered to the Community Consolidated School District 89, so long as we are not a party to the proceeding in which the information is sought, we may seek reimbursement for our professional time and expenses, as well as the fees and legal expenses, incurred in responding to such a request.

We may be required to disclose Confidential Information with respect to complying with certain professional obligations, such as peer review programs. All participants in such peer review programs are bound by the same confidentiality requirements as Baker Tilly and its employees. Baker Tilly will not be required to notify the Community Consolidated School District 89 if disclosure of Confidential Information is necessary for peer review purposes.

We would expect to continue to perform our services under the arrangements discussed above from year to year, unless for some reason you or we find that some change is necessary. We will, of course, be happy to provide the Community Consolidated School District 89 with any other services you may find necessary or desirable.

Resolution of Disagreements

In the unlikely event that differences concerning services, fees, this Engagement Letter or any services subsequently provided to Client by Baker Tilly should arise ("Dispute(s)") that are not resolved by mutual agreement, both parties agree to attempt in good faith to settle the Dispute by mediation administered by the American Arbitration Association (AAA) under its mediation rules for professional accounting and related services disputes before resorting to litigation or any other dispute-resolution procedure. Each party shall bear their own expenses from mediation.

If mediation does not settle the Dispute, then the parties agree that the Dispute shall be settled by binding arbitration to be initiated by the party seeking damages or other permitted relief in any form (the "Claimant"). The arbitration proceeding shall take place in the city in which the Baker Tilly office providing the services in Dispute is located, unless the parties mutually agree to a different location. The proceeding shall be governed by the provisions of the Federal Arbitration Act (FAA) and will proceed in accordance with the Arbitration Rules for Professional Accounting and Related Disputes of the AAA (the "Rules") as amended and effective February 1, 2015, except that no prehearing discovery shall be permitted unless specifically authorized by the arbitrator. Any issue concerning the extent to which the Dispute is subject to arbitration, or concerning the applicability, interpretation, or enforceability of any of these procedures, shall be governed by the FAA and resolved by the arbitrators. The arbitration will be conducted before a panel of three (3) arbitrators, with experience in accounting and auditing matters or resolving accounting and auditing matters. In the thirty (30) days after the arbitration is initiated, the parties shall attempt to mutually agree on the three (3) arbitrators, including one arbitrator who will serve as chair of the panel, and all of whom may be selected from AAA, JAMS, the Center for Public Resources, or any other internationally or nationally-recognized organization mutually agreed upon by the parties. If the parties cannot agree on a panel of three (3) arbitrators within the thirty (30) day period, the three (3) arbitrators shall be selected according to Rules A-16(a) and (b) of the Rules except that the AAA shall send an identical list of fifteen (15) names to the parties to the arbitration. The arbitrator shall have no authority to award nonmonetary or equitable relief and will not have the right to award punitive damages or statutory awards. Furthermore, in no event shall the arbitrator have power to make an award that would be inconsistent with the Engagement Letter or any amount that could not be made or imposed by a court deciding the matter in the same jurisdiction. The award of the arbitration shall be in writing and shall be accompanied by a well-reasoned opinion. The award issued by the arbitrator may be confirmed in a judgment by any federal or state court of competent jurisdiction. Discovery shall be permitted in arbitration only to the extent, if any, expressly authorized by the arbitrators upon a showing of substantial need. Each party shall be responsible for their own costs associated with the arbitration, except that the costs of the arbitrators shall be equally divided by the parties. Both parties agree and acknowledge that they are each giving up the right to have any Dispute heard in a court of law before a judge and a jury, as well as any appeal. The arbitration proceeding and all information disclosed during the arbitration shall be maintained as confidential, except as may be required for disclosure to professional or regulatory bodies or in a related confidential arbitration. The arbitrators shall apply the limitations period that would be applied by a court deciding the matter in the same jurisdiction, including the contractual limitations set forth in this Engagement Letter, and shall have no power to decide the dispute in any manner not consistent with such limitations period. The arbitrators shall be empowered to interpret the applicable statutes of limitations subject to the choice of law provision set forth herein.

Our services shall be evaluated solely on our substantial conformance with the terms expressly set forth herein, including all applicable professional standards. Any claim of nonconformance must be clearly and convincingly shown.

Limitation on Damages and Indemnification

THE LIABILITY (INCLUDING ATTORNEY'S FEES AND ALL OTHER COSTS) OF BAKER TILLY AND ITS PRESENT OR FORMER PARTNERS, PRINCIPALS, AGENTS OR EMPLOYEES RELATED TO ANY CLAIM FOR DAMAGES RELATING TO THE SERVICES PERFORMED UNDER THIS ENGAGEMENT LETTER SHALL NOT EXCEED THE FEES PAID TO BAKER TILLY FOR THE PORTION OF THE WORK TO WHICH THE CLAIM RELATES, EXCEPT TO THE EXTENT FINALLY DETERMINED TO HAVE RESULTED FROM THE WILLFUL MISCONDUCT OR FRAUDULENT BEHAVIOR OF BAKER TILLY RELATING TO SUCH SERVICES. THIS LIMITATION OF LIABILITY IS INTENDED TO APPLY TO THE FULL EXTENT ALLOWED BY LAW, REGARDLESS OF THE GROUNDS OR NATURE OF ANY CLAIM ASSERTED, INCLUDING THE NEGLIGENCE OF EITHER PARTY. ADDITIONALLY, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY LOST PROFITS, LOST BUSINESS OPPORTUNITY, LOST DATA, CONSEQUENTIAL, SPECIAL, INCIDENTAL, EXEMPLARY OR PUNITIVE DAMAGES, DELAYS OR INTERRUPTIONS ARISING OUT OF OR RELATED TO THIS ENGAGEMENT LETTER EVEN IF THE OTHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Because of the importance of the information that you provide to Baker Tilly with respect to Baker Tilly's ability to perform the services, you hereby release Baker Tilly and its present and former partners, principals, agents and employees from any liability, damages, fees, expenses and costs, including attorney's fees, relating to the services, that arise from or relate to any information, including representations by management, provided by you, its personnel or agents, that is not complete, accurate or current, whether or not management knew or should have known that such information was not complete, accurate or current.

Each party recognizes and agrees that the warranty disclaimers and liability and remedy limitations in this Engagement Letter are material bargained for bases of this Engagement Letter and that they have been taken into account and reflected in determining the consideration to be given by each party under this Engagement Letter and in the decision by each party to enter into this Engagement Letter.

The terms of this section shall apply regardless of the nature of any claim asserted (including, but not limited to, contract, tort or any form of negligence, whether of you, Baker Tilly or others), but these terms shall not apply to the extent finally determined to be contrary to the applicable law or regulation. These terms shall also continue to apply after any termination of this Engagement Letter.

You accept and acknowledge that any legal proceedings arising from or in conjunction with the services provided under this Engagement Letter must be commenced within twelve (12) months after the performance of the services for which the action is brought, without consideration as to the time of discovery of any claim or any other statutes of limitations or repose.

Other Matters

Neither this Engagement Letter, any claim, nor any rights or licenses granted hereunder may be assigned, delegated or subcontracted by either party without the written consent of the other party. Either party may assign and transfer this Engagement Letter to any successor that acquires all or substantially all of the business or assets of such party by way of merger, consolidation, other business reorganization or the sale of interest or assets, provided that the party notifies the other party in writing of such assignment and the successor agrees in writing to be bound by the terms and conditions of this Engagement Letter.

Our dedication to client service is carried out through our employees who are integral in meeting this objective. In recognition of the importance of our employees, it is hereby agreed that the Community Consolidated School District 89 will not solicit our employees for employment or enter into an independent contractor arrangement with any individual who is or was an employee of Baker Tilly for a period of twelve (12) months following the date of the conclusion of this engagement. If the Community Consolidated School District 89 violates this nonsolicitation clause, the Community Consolidated School District 89 agrees to pay to Baker Tilly a fee equal to the hired person's annual salary at the time of the violation so as to reimburse Baker Tilly for the costs of hiring and training a replacement.

The services performed under this Agreement do not include the provision of legal advice and Baker Tilly makes no representations regarding questions of legal interpretation. Client should consult with its attorneys with respect to any legal matters or items that require legal interpretation under federal, state or other type of law or regulation.
