

To Mr. Larsen and our School Board,

May is finally here, it has been a hard year in our department and there has not been a day this school year that we have had everyone here at work.

We are preparing for migrant summer school which starts right after regular school year

In the month of May we have turned in 4 stop arm violations to the police department, and several drivers report that they had vehicles running their stop arms. We have only a few buses that have a side camera to catch the vehicle and the license platenumbers

We have had 30 reimbursed trips for the month of April

We have had 29 non-reimbursed trips for the month of April

We had 31 tickets for the month of April out of the 31 tickets there were 27 suspensions

May Birthdays

Terry McCann May 1

Ed Rollinger May 6,

Phyllis Stumph May 17

Brecca Kalco May 23

Cathy Ingalls May 25

We would like to thank Mr. Larsen and the school board for their continue support of our department.

Thank you,

Coleen Jones
