Final payment and final payment deadline

Final payment will be due by Wednesday 29 July 2026.

Final payment may be by credit card or by the rules governing agency claim for ticketing (AA reserves the right to limit the agency claim option). Electronic Funds Transfer (EFT), money order and check are also available for use in limited locations.

For payment by EFT, please allow sufficient time for bank clearance as the final payment deadline cannot be extended and is subject to American Airlines receiving cleared funds by this due date.

For other changes or reduction in group size, please refer to the Terms and Conditions which apply to your contract.
