Recommendation for the Board of Education

Meeting: April 21st, 2026

Item: Approval of Facilities Plans for PCES and PCJH

Recommendation: Steve Nelson of Larson & Darby Group will present updated conceptual designs for PCES and PCJH. The Board of Education has had the opportunity to collaboratively provide feedback on these plans at a special meeting in March 2026, the regular meeting in March 2026, and a Buildings and Grounds Committee meeting in April 2026.

If the Board of Education is comfortable with the direction of the designs, I recommend approval for Larson & Darby Group to continue their work on further development and planning.
