1) Flashlight 360 (EL Program Screener and Pathway)

#### **BOARD ACTION REQUESTED:**

Motion to Approve Contracts for 2025-2026

#### **BACKGROUND INFORMATION:**

#### **NEW Contracts & Agreements:**

#### **Renewal Contracts & Agreements:**

Term 1 of 1, 1 Year Renewable, General Fund Title III EL, ROI - In the 2024 -2025 school year students' speaking and writing scores from the Beginning of the Year to End of Year benchmarks increased an average of +0.8 points for each category, these increases moved our overall district performance level scores from emerging to expanding. Students' pathway scores increased by an average +0.6 points from September to March in speaking, and by an average +1.4 points in writing. We can provide exact WIDA ACCESS scores to the board once they are released in June.

1) Flashlight360 is an online screener and pathway used with our EL student population to provide instructional support and data on students' reading, writing, and speaking ability during their English acquisition. The program is set up to mirror the state required English proficiency assessment. This allows for staff members to collect data and provide additional instructional support to students throughout the school year as they prepare for the ACCESS assessment in the spring. Funding for the screener, pathways, and professional development will be provided by our Title III EL allocation. The PO for the purchase will be issued on July 1, 2025, for \$13,875.00. This contract is valid from July 1, 2025, through June 30, 2026.
