

Item of Information: Southwest ISD Education Annual Report

1. Background

The Southwest ISD Education Foundation is presenting its Annual Report to the Board of Trustees. The report highlights the Foundation's activities, accomplishments, financial stewardship, fundraising efforts, grant programs, scholarships, and community partnerships during the reporting period. The Foundation's mission is to support and enhance educational opportunities for Southwest ISD students and staff through charitable giving and community engagement.

2. Process:

Throughout the year, the Southwest ISD Education Foundation worked collaboratively with district leadership, staff, community members, business partners, and donors to raise and distribute resources that directly benefit Southwest ISD students and employees. Foundation initiatives included fundraising campaigns, donor cultivation, innovative teaching grants, student scholarships, and special projects that support the District's strategic priorities. The Annual Report provides a summary of these activities, recognizes donors and partners, and outlines the impact of Foundation-supported programs across the District.
