

BOARD REPORT

TECHNOLOGY

March 2026

I am finishing up E-Rate this month to purchase some WIFI switches to match our wireless access points. This will help more with wireless infrastructure. It also pays us back 90 percent of our internet.

I am doing some testing for cyber security and Phishing. Doing some best practice assessments.

There is a lot of testing going on this month. We are Prepping for this

I am learning a new security system software for the future, it is cloud based.

I will be running maintenance on our Meraki Firewall.

I am finishing up adding battery backups to our main switches, this will help with power outages.

Continuing to replace older computers as needed throughout the district with newer up to date computers.

I am continuing to update Business classroom with new computer and doing inventory of the equipment purchased with OKAW grant.

I am adding new document cameras in requested classrooms.

Going through all classrooms to make sure everything is working properly and updating where we can.

Fixing all day to day problems as needed.

I welcome any questions or comments from you. I can be reached at school at x2142, on the cell at 618-301-0487, or by email at laldridge@dupo196.org
