Subject: Instructional Materials

MISD Board of Trustees: April 21, 2026

Agenda Item – 9A8

Background Information

Each year, TEA requires that local school boards certify the grades and subjects for which instructional materials may be requisitioned and purchased by the district. Additionally, the board must certify that any instructional material used by the district collectively cover all elements of the essential knowledge and skills of the required curriculum, other than physical education, for each grade level as required in the Texas Education Code, Section 28.002.

Fiscal implications

None

Administration Recommendation

District administration recommends the school board authorize this certification process for the 2026-2027 school year.
