### **Indian Knoll Elementary School**

*Submitted by: Dan Guerrero*

It is with great gratitude that I write this board salute honoring the dedicated substitutes who walk through the doors of Indian Knoll each and every day. Our regular building substitutes arrive day in and day out with smiles on their faces and a readiness to meet whatever the day brings. Their schedules shift constantly, and they often learn their assignment only minutes before they are needed, yet they step into any role with professionalism and grace.

I am especially grateful for their remarkable flexibility. Whether a message comes late in the evening or early in the morning, they respond with warmth and reliability. Their communication and dedication do not go unnoticed, even when the demands of the job ask so much of them on short notice.

Indian Knoll simply could not function without their continued support. Substitutes are too often unrecognized for the vital role they play, but please know that their impact is felt deeply throughout our school community. On behalf of the entire Indian Knoll family, we extend our sincerest appreciation to each and every one of our substitutes. Thank you!
