Re: INTERGOVERNMENTAL AGREEMENT BETWEEN THE CITY OF JOLIET AND JOLIET TOWNSHIP HIGH SCHOOL DISTRICT 204 FOR WATER EXTENSION & CONNECTION AT JOLIET WEST HIGH SCHOOL

As part of the Joliet West Student Center Addition; the Intergovernmental agreement will allow for the district to grant an Easement to the City of Joliet, in exchange the City of Joliet will allow the district to install a water main extension and connection on private property. This is part of Joliet's Glenwood & West Acres Water Main Improvements project. This connection from the new City of Joliet water main to the Joliet West domestic water loop replaces the main feed on the West side of the property.

The administration recommends that the Board of Education approve the recommendation as presented.
