

# 2026 Mandatory Summer School

## What You Need to Know

Your attendance at Summer School is required if you have been identified through our academic review. It is essential to attend to ensure you stay on track for the upcoming year.

**Results of Non-Attendance:** If a student does not attend, the following changes will take effect for the 2026-27 school year:

- **Extracurricular Restriction:** Students will be ineligible to participate in any extracurricular activities.
- **AMPES Adjustment:** AMPES placements will be modified for the 2026-27 academic year.
- **Schedule Revisions:** Students will receive an adjusted POWERHOUR schedule for Term 1
