

CCS Program Overview

Crosslake Community School staff will be eligible to receive stipends for committee work. The CCS Team (Committee for Committee Stipends) will work to maintain an accurate listing of school committees including responsibilities and tasks and corresponding time commitments.

During beginning-of-year workshop days, all CCS staff will have the opportunity to sign up for committees for the school year. Committee members and chairpersons will track meeting attendance and task completion and provide this documentation to the CCS Team at the beginning and end of each school year using the Annual Stipend Tracking Sheet. This documentation will be used to determine eligibility for stipends.

Payment Structure

Stipends range from 3 to 1 points. (1 point = \$300)

3 pts = 2+ hrs/mo or 20+ hrs/yr

2 pts = 1-2 hrs/mo or 10-19 hrs/yr

1 pt = up to 1 hr/mo or up to 10 hrs/yr
