

Board Report -

Track - It was a great season. Every kid at the JH and High school level had a PR - personal best throughout the season. Most of the athletes had more than one. 8th grade boys and girls finished in the top three as a team in district.

The track season was capped off with 3 district champions - Jaxson Lucero in the disc, Kellen Henderson in the 800, and Drayton Renville in the 400. Alan Larkan (800), Bristol Raper (pole vault), and Serenity Clark (high jump) all made the Area track meet. Area - We had 4 athletes qualify for the regional meet - Jaxson Lucero (2nd shot, 2nd disc), Kellen Henderson (2nd 800), Alan Larkin (3rd 800), and Drayton Renville (2nd 400).

Softball - Great season by the girls so far. They were District Champions for the second year in a row. They also beat Quannah 25-2 in the Bi district Round. They are advancing to the Area round. Lots more to come from Softball.

Baseball - Baseball finished the season with a winning record and a trip to the state playoffs. They are competing in the Bi-District round. Still more to come for Baseball.

Golf - Golf finished second in district as a team. They were led by Maxx Henderson with a top 5 finish as an individual at district. They advanced to Regionals as a team and competed well.

Kids camp - We will be hosting kids camps for all sports this summer. They are free to our future athletes in our community.

Summer workouts get started in a few weeks.

Thanks
Bennett
