**ACTION**

**TITLE** Approval for the Renewal of the New Tech Network contract at Belle Point Alternative Center for 2020-2021

**DATE:** June 22, 2020

**RESPONSIBLE ADMINISTRATOR:** Martin Mahan  
Assistant Superintendent of Curriculum and Instruction

**VISION 2023 STRATEGY:** 3. Instruction  
6. Technology

**BACKGROUND/CONSIDERATIONS:**

The Belle Point Alternative Center and the New Tech Network have been in a partnership since the 2015-2016 school year. New Tech is a learning platform that provides instructional support for project-based learning.

**RECOMMENDATION:**

The administration recommends that the Board approve to renew the partnership between Belle Point and the New Tech Network for the 2020-2021 school year.

If the Board agrees, the motion would read:

***Move to authorize the renewal of the New Tech contract for the 2020-2021 school year.***

**VISION 2023 STRATEGIES - Career Planning:** Develop and implement education and career pathways so that each student graduates with a viable plan and relevant skill set for his or her future. **Equity:** Develop and implement a system-wide plan to provide all students with the resources they need to optimize their learning. **Instruction:** Design, develop and implement programs to promote rigor, relevance, collaboration, critical- thinking skills and learning environments designed to meet each student's unique needs and aspirations. **Learning Environment/Facilities:** Align resources, facilities and technology strategically and equitably across the district to maximize security and enhance the learning environment. **Staffing:** Recruit and retain highly-qualified faculty, staff and administration. **Technology:** Provide appropriate technology that is consistently available, effectively supported and equitably distributed for group and individual instruction. **Wellness:** Develop and train empathetic and nurturing employees to be sensitive to and supportive of the needs of all children and families.
