Background Information:

In November of 2025, a bond election for Manor ISD failed. The needs have not gone away. We are currently working with architects to evaluate the rising costs of the projects to update cost estimates for any future bond proposal. We are scheduling time to meet with the Community Facilities Committee to review an updated list of future bond projects. Finally, based on feedback from surveys and focus groups, we are adding more details to the project list and have removed the expansion to Shadowglen Elementary School. Demographer's reports indicate we can hold off on any expansion to SGES for a future bond election.

Fiscal Implications:

None
