Fiscal implications

- The minimum approximate revenue per ADA is \$6215, in addition to the modest revenues generated from tuition of \$146,000
- During the 2025-2026 school year, 527 students transferred out of Midway ISD to surrounding school districts. This record is included for reference.

Administration Recommendation

The administration recommends the acceptance of out of district (interdistrict) transfer students to balance the number of students who are transferring out of Midway ISD to surrounding school districts. At the February 17, 2026 Board Meeting, Trustees voted to accept changes to FDA (LOCAL) that removed the out of district transfer fee for the upcoming 26-27 school year.
