**Background Information:**

Update 127 includes revisions to legal framework documents based on changes to Administrative Code rules after the 89th Legislative Session. Changes to local policies offered for consideration address the following topics:

- Superintendent nonrenewal
- Term contracts
- Other types of contracts
- Elective instruction
- Gifted and talented students
- Prekindergarten
- Student safety

Other changes are to accommodate restructuring of codes in the DH and DP series of the manual and to delete local policies in the FO series for which District of Innovation exemptions are no longer allowed.

The first reading allows the district administration time to present changes and gives the board time to review the text prior to the final vote at the next board meeting.

**Recommendation:**

Review the revisions to Henderson ISD Local policies as presented in TASB Policy Update 126.
