

Consider approval of
the elevator retrofit at Scobee Middle School

1. Background:

The Scobee Middle School elevator has been having operating issues since March of this year. Even after our elevator contractor has made multiple repairs we continue to have new issues. It is no longer feasible to continue to make repairs on this elevator. It is the original elevator from when Scobee Middle School opened in 1999.

2. Process:

We have requested a quote from Prestige Elevator our approved elevator service company to replace the elevator at Scobee Middle School.

3. Fiscal Impact:

The cost for this retrofit will not exceed \$_____. The cost of this project will be funded by budgeted funds.

4. Recommendation:

That the Board approves Prestige Elevator to retrofit the elevator at Scobee Middle School for a not to exceed amount of \$_____.

5. Required:

Board action.
